About District 10

We are one of Saint Paul's citizen participation districts encompassing most of the Como Park neighborhood. Our purpose is to provide a voice for the neighborhood in shaping decision made by city and other local government and to support a vibrant neighborhood.

The District 10 Como Community Council is a non-profit 501(c)3 organization governed by an elected, volunteer board of directors. The board meets monthly at 7:00pm on the third Tuesday of each month at the Historic Streetcar Station, 1224 Lexington Parkway North. Supporting committees focus on land use, the environment, and neighborhood relations and safety.
