

Sunday May 21st
Orchard Recreation Center
875 W Orchard Ave, St Paul, MN 55103

Como Community Seed Library's

May Share

Plant and Seed Exchange
2:30-4pm

**Swap your extra plants and seeds
for something new. Share your family gardening stories
and green thumb adventures.**

Plants: Bring healthy, pest-free, and untreated perennials and annuals. Please try to package them individually, with labels that include their name/variety and any appropriate growing or planting information.

Seeds: Share commercially grown seed (preferably heirloom, organic, and untreated seeds) in its original packaging. Share saved seeds labeled with as much information as possible -- including seed type, common name/variety, what year it was grown, and pertinent growing information

Volunteer [here](#); Get a preview of what's available and receive a special "Thank You" gift.

Come early for the Como Community Council
Sunday Series presentation:
"Out-of-the-Ordinary Lawns"

1-2:30 p.m.

Featuring experts with advice and answers about doing something different with your landscaping. Topics include creating a "bee lawn," edible landscaping, fruit and ornamental trees, pollinator-friendly habitat, and native plants in formal settings.

It's all free!
